Details of the user imported by an Excel file or Landpark Active Directory / OpenLDAP

The screenshot shows the 'Users' tab in the Landpark interface. At the top, there is a navigation bar with tabs for Computers, Details, Connections, Software, and Users. Below this is a table listing users with columns for Last name and First name. The first two rows are CHAMOIS Luc and BOLET Noe. To the right of the table is a control panel with buttons for Assign, Modify, Unassign, and Assignment history. Below the table, there are fields for Login (LANDPARK\cblanloel) and Domain name (landpark.local). The 'User details' section includes fields for Title/Position (Technical Sales), Telephone (02 47 85 86 69), Fax (02 47 85 86 69), Email address (l.chamois@cerus.net), and Cell (06 30 74 51 39). The Department is listed as Sales and Prospecting Division \ Commercial Department \ Tours \ LANDPARK. A 'User details' dialog box is open, showing the 'Identifier' section with fields for Last name (CHAMOIS), First name (Luc), Title/Position (Technical Sales), and Email (l.chamois@cerus.net). It also shows a picture of the user, address (116, rue Ronsard), postal code (37100), city (Tours), phone (02 47 85 86 69), fax (02 47 85 86 69), cell (06 30 74 51 39), initials (CL), and a checked 'Technician' checkbox. The 'Profile' section shows 'Users' selected, with login (l.chamois) and password fields. The 'Organization' section shows the path: LANDPARK \ Tours \ Commercial Department \ Sales and Prospecting Division.
